International Business College,
Patna

Welcome to a world of scholastic sophistication where every student can get, not only excellent academic environment but also top class infrastructure to advance his/her career in BBA & BCA courses.

We at International Business College strive to achieve the goal of educational expertise by offering quality education in an ingenious way. The Institution invites the students to become part of qualified, skilled, creative, and efficient human resources team. Talent needs guidance, motivation and direction to become a brilliant success story. We are fortunate enough that we have started our noble mission of imparting quality professional education from a very pious land of Patliputra, a land of versatile genius, human prodigy, historian, saint, philosopher, management gurus & economist, what not? Continuing the rich legacy of knowledge, we owe the responsibility of modeling and sharpening managerial skill in them.

We realize our responsibility towards nation and our process is very much in tune with nation's need and current market requirement.
